**As a sponsor of this event, you can help us  
achieve our goal of ending  
homelessness on Long Island.**

For most of us, winter brings thoughts of holidays, gifts, and good cheer. Spring brings thoughts of rebirth, rain in preparation of beautiful flowers, and more fun holidays. Unfortunately, too many Long Islanders see winter and spring as a time when the cold and rain are against them, food is in short supply, and the ability to stay warm is a daily challenge. These are Long Island's homeless and impoverished individuals and families.

Reports show that there are over 600,000 Americans living on the streets or in emergency shelters. On Long Island, approximately half of the homeless are children.

On March 17, 2020, the Long Island Coalition for the Homeless will hold a special Candlelight Vigil for the Homeless to raise awareness about the homeless and the great need for affordable housing in our area. We will also be collecting new/unused baby items, non-perishable food and toiletries to distribute to Long Island's homeless and at risk families.

**Please be a part of 2,000 participants at our "Have a Heart for the Homeless" Candlelight Vigil on March 17, 2020, from 12 noon-8pm,** in Roosevelt Hall at Farmingdale State College. The participation of every person who cares will make a difference. Help us show that Long Islanders want to eradicate homelessness and hunger that exist in our affluent society. YOU can make a difference in the lives of Long Islanders in need!
